

**Behind the Scenes – Summer of the Seventeenth Doll Thursday, 29 October 2020
6.00 pm at the Netley Studios of State Opera SA, 216 Marion Road, Netley**

The Friends of State Opera SA are very excited to invite you to the first event we have been able to host this year and the first of our rebranded Opera Voices Introductions; 'Behind The Scenes', showcasing The Summer of the Seventeenth Doll production.

Come and watch the Performers in a half hour of rehearsal and also meet and hear from the Creatives. The discussion will be facilitated by Stuart Maunder AM, Artistic Director of State Opera SA and Christopher Stone, Vice-President of The Friends.

Although pandemic restrictions are gradually being eased, we still have to comply with social distancing rules therefore there is a limit on audience numbers.

For us to be able to track numbers it is *essential* that you book on line with Trybooking and only ticket holders will be admitted on the night (there will be no exceptions).

Book at <https://www.trybooking.com/BLXQN>

Regrettably, on this occasion and because of logistical difficulties, food and drink will not be provided. We will however, continue to review what we are able to do, within the Government pandemic directives, for future events.

I look forward to seeing you at this exciting and informative event.

President,

The logo for 'The Friends' is written in a stylized, cursive script. The word 'The' is smaller and positioned above 'Friends'. The 'F' in 'Friends' is particularly large and decorative, with a long, sweeping tail that extends to the right.
